

Falcon Fight Song

Stand up and fight
Stand for the right
Stand behind blue and white
We score again
And in the end
We'll win the game and fame for SJF
And when it's done
When we have won
Our team will be champion, #1
Come on you Falcons, fight, fight, fight
For dear old SJF.

Let's let the rafters
Ring ever after
Falcons, fight, fight, fight.

Stand up and fight
Stand for the right
Stand behind blue and white
We score again
And in the end
We'll win the game and fame for SJF
And when it's done
When we have won
Our team will be champion, #1
Come on you Falcons, fight, fight, fight
For dear old SJF.
